

HARTWOOD FOUNDATION, INC.

2025/26 ANNUAL HOLIDAY APPEAL

Dear Families and Friends of Hartwood,

As you may know, Hartwood was founded 52 years ago in June of 1973. From our early beginnings as a family cooperative sharing resources and providing essential respite services to the thriving public-private community service organization of today, Hartwood has been an innovator and devoted collaborator in the development and operation of community-based residential and respite services for persons with intellectual and other developmental disabilities. Of course, we look to continue that leadership well into the future.

Continuing to support our residents as they age-in-place often means making expensive modifications to our homes and procuring specialized vehicles and equipment that enable safe and comfortable community living. Please help us to meet the challenge of providing individualized person-centered services and supports to our current program participants while also positioning ourselves to serve those on the waitlist who, after many years of struggle, are finally receiving funding for services.

Please give generously as you have in the past. With your help we can make a real difference in the lives of those we serve and those now seeking services. We thank you and wish you a happy, healthy and safe Holiday Season!

With warmest regards,

Christian A. Brown, President
