HARTWOOD FOUNDATION, INC.

2026/27 ANNUAL HOLIDAY APPEAL

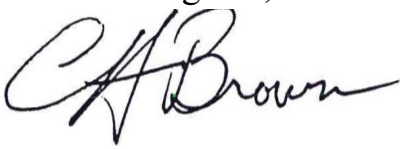

Dear Families and Friends of Hartwood,

As you know, Hartwood was founded over 50 years ago in June of 1973. From our early beginnings as a family cooperative sharing resources and providing essential respite services, to the thriving public-private community service organization of today, Hartwood has been an innovator and devoted collaborator in the development and operation of community-based residential and respite services for persons with developmental disabilities and co-occurring physical and medical support needs. We look to continue that leadership well into the future and ask for your support to do so.

Continuing to support our residents as they age-in-place means additional extensive staff training, expensive modifications to our homes and procurement of specialized vehicles and equipment that enable safe and comfortable community living. Please help us to meet the challenge of providing individualized person-centered services and supports to our current residents while also offering residential opportunities for those on the waitlist.

Please give generously as you have in the past. With your help we can make a real difference in the lives of those we serve and those now seeking services. We thank you and wish you a happy, healthy and safe Holiday Season!

With warmest regards,

Christian A. Brown, President
